

# G-Research PhD Prize in Maths & Data Science

Academic prize of up to **£10,000**

## Who can apply?

Students at the École Polytechnique Fédérale de Lausanne (EPFL) in their final or penultimate PhD years (submitting by end of 2023/24 academic year) working across areas including, but not limited to:

- Quantitative Finance
- Mathematics
- Computer Science
- Statistics
- Physics
- Engineering
- Machine Learning

**Applications close**

**Monday 20th February 2023**

## How to apply

Students wishing to apply should send a 10 page excerpt of their draft dissertation along with a CV and covering letter to [charles.martinez@gresearch.co.uk](mailto:charles.martinez@gresearch.co.uk).

Your cover letter should summarise your PhD/research field, the way in which your research is novel and has an impact in its field, as well as a summary of your contribution to the paper (highlighting notable elements such as first author).

Maximum entry of 10 pages. Please submit all entries in English.
